New Trier Township is proud to welcome lawyers from the North Suburban Legal Aid Clinic of Highland Park to our next Educational Forum. Since 2015, the Clinic has provided free legal services for people living in the north suburbs.

Attend this forum and learn what your rights are in case Immigration and Customs Enforcement knocks on your door, how to be an ally, and how to identify the red flags of domestic violence. Learn to stay safe. Be informed and aware of the current hot topic issues.

**October is Domestic Violence  
Awareness Month**
