

IQ TESTING:

Understanding the Process

Wednesday, November 20 • 9:00 - 10:30 am • Science & Arts Academy

Do you want to learn more about the process of IQ testing?

Meet Psychologist Dr. Vinita Bhojwani-Patel at Science & Arts Academy, an independent school for gifted children, to learn more about the benefits of testing, the various subtests used to determine IQ, the use and interpretation of scores, and more.

This event is free and open to the public.

Please RSVP at
www.scienceandartsacademy.org/publicevents

Dr. Vinita Bhojwani-Patel has been in private practice for over twelve years and has experience as a School Psychologist, Intervention Specialist, and Educational Consultant. She has worked with several different schools and districts in Chicago and the northern suburbs. Dr. Patel has a Bachelor's degree in Psychology, a Master's degree in Education, and a Doctorate in School Psychology from Loyola University of Chicago.
